ACB Summer Intensive – FAQs

Q. Do you anticipate that all of the classes on the Summer Intensive Schedule will remain on the schedule?

A. Although each year is different, in past years a few classes on the schedule did not meet the minimum enrollment and required that we either add a small class premium or cancel the class. That is why it is critical that parents complete their summer registration forms as soon as possible. Once a class is removed from the schedule, it is unlikely that it will be returned to the schedule as a result of late registrations. Note that tuition is refunded if a class is cancelled.

Q. When will we know which classes will remain on the schedule and which will be cancelled or have a small class premium?

A. We will communicate the status of classes by May 14th, or sooner if it is clear what the outcome of a class will be.

Q. Can I complete my registration form on time and pay the 50% tuition at a later date?

A. You can fill in your registration form and submit it without a payment. However, your registration is not "Complete" until your payment is received and you will have to pay a registration fee and/or late registration fee if your payment is received after the dates published.

Q. What if my vacation plans change after I register, can I get a refund?

A. Unfortunately, Summer Intensive tuition and registration fees are non-refundable. Decisions on which classes will remain on the schedule and which ones will be cancelled or have small class premiums are made based upon your enrollment commitments. Allowing students to withdraw from summer classes with refunds puts the school in an unsustainable position.

Q. When will I know if my dancer is moving up to a new level at the end of the year?

A. All dancers will remain at their current levels through the summer. When the fall schedule is posted in June, there will be a communication to those dancers who are moving to a new level.

Q. Can I enroll my dancer for two weeks in Session and one week in Session 2?

A. No.

Q. If my Pre-Professional or Young Dancer is enrolled in a Tuesday Class (for example) and has a conflict for one week, can they switch to a Wednesday class for that week.

A. No.

Q. In case of a family emergency, like a death in the family, are refunds offered.

A. As stated in the Summer Registration Form, there are no refunds. In cases of family emergencies, like a death in the family, at the discretion of the ACB Management, a partial credit may be applied to your fall tuition.

Q. Do you know which instructors will teach which classes?

A. Final assignment of instructors will be completed once the final schedule is announced which is typically 2-3 weeks prior to the start of the first session.

Q. What do the classes consist of?

A. Although the content of the classes is subject to change, here is a brief description:

- a. Pre-Professional Levels 5/6 ó 1 hour of specialty dance (stretching, contemporary, salsa, character, tap, Irish, or hip-hop) and 2 hours of ballet technique

- b. Young Dancers Levels 3/4 ó 1 hour of specialty dance (stretching, contemporary, salsa, character, tap, Irish, or hip-hop) and 1.5 hours of ballet technique. Wednesday is an exception where there will be 1 hour of Beginning/Pre-Point and 1.5 hours of ballet technique
- c. Young Dancers Level 2/3 ó 1 hour of specialty dance (stretching, contemporary, salsa, character, tap, Irish, or hip-hop) and 1.25 hours of ballet technique.
- d. Beginning Dancers ó See our School Handbook online for class descriptions

Q. When will the Specialty Classes be confirmed?

A. Specialty Classes will be confirmed by mid-May. If you have preferences be sure to let us know.
